### **NEW** Speech Recognition "Personal Secretary"!

Imagine having a secretary that was always at your side recording whatever you said. You simply dictate letters, proposals, meeting notes, your next great idea, even detailed e-mail messages. Within minutes your thoughts are accurately transcribed, ready to be included in any document you desire. Call now for your [FREE demo](#).

**Unquestionably the easiest way to create all of your original documents.**

Introducing your **Telephone Speech Recognition "Personal Secretary"!**  
The Fastest, Most Accurate, Most Cost-Effective Secretary you will ever have!

- ◆ **Available ANY TIME** – Just pick up the telephone day or night, and call your very own Virtual Personal Secretary! Your computer does NOT need to be on.
- ◆ **Available ANYWHERE** – Call from virtually any telephone or any kind of phone – including cellular.
- ◆ **Amazingly ACCURATE** – All transcriptions are based on a specific "speech recognition profile" created for your voice. (Note: Excessively noisy environments decrease accuracy.)
- ◆ **Virtually INSTANTANEOUS** – Your transcribed documents are available within minutes of your completed dictation (on a secure web-site). It's the "Hosted" Dragon Solution!
- ◆ **Customizable\* TEMPLATE Fields** – At all levels.
- ◆ **Only Pay for what you use** – You are only billed for what you use. Pick your Plan and add minutes.
- ◆ **No Extra Hardware to buy** – Just use your phone.

Telephone Dictation with Accurate Transcription and Secure Web Delivery.

Monthly Subscriptions  
Basic Dictation = \$29  
+ Custom Words = \$59  
+ Template Phrases = \$89

Per Minute Rates as low as \$.19 / minute

**Telephone Dictation Lowers Your Transcription Costs!**

One-Time License, Set-up & Training Fee = \$349

How does it work? We install Dragon on a secure server, connect it to telephone lines, then give you web access. We can even host your Dragon Legal or Medical licenses with access to your specialty vocabularies. Initial Licensing Fee is more for Legal or Medical vocabularies.

## Speech Recognition Services & Support

### TRAINING

All products come with a **100% Money Back Guarantee**. For speakers of English as their first language who complete at least 6 hours of our proprietary training program, we guarantee you will achieve 97% Speech Recognition Accuracy or BETTER.

#### **One-On-One, Custom, On-Site Training**

A Personal Trainer comes to your location to provide a custom training experience to coach you on your own applications, on your PC.

##### ◆ "Silver" Training Package

- 2, Half Days of One-On-One, Custom, On-Site Training.
- 1st Session -- "Creating an Exceptionally Accurate Speech Recognition Profile". Because if it is not accurate, you aren't going to use it.
- 2nd Session -- "Mastering the Basics of Speech Recognition". Because if you don't know how to use it, you aren't going to use it.

Per Person: \$1195

##### ◆ "Gold" Training Package

- 3, Half Days of One-On-One, Custom, On-Site Training.
- The first two sessions are the same as above.
- 3rd Session -- "Automating Your Work with the Magic of Macros". Save yourself hours per week, (perhaps an hour each day) using Dragon's Advanced Capabilities.

Per Person: \$1795

##### ◆ "Platinum" Training and Customization Package

- 3, Half Days of One-On-One, Custom, On-Site Training.
- The training sessions are the same as above.
- **PLUS** up to 4 hours of Customization / Integration. Up to 25 simple macros can be created to automate your document creation & e-mail preparation processes. Perfect for a Physicians' EMR Integration!
- Customization / Integration can be exchanged for **Mobile Dictation Device** Installation, Profile Creation, Testing, Troubleshooting, & Training

Per Person: \$2295

### Group Training

Group training provides an affordable alternative to our "One-On-One" training above, and provides a more collaborative learning environment for your team.

##### ◆ "Team -- Preferred" Training Package

- 2, Half Days of Small Group Training designed for those using Dragon NaturallySpeaking Preferred Edition. Similar to "Silver" package above.

Cost Per Person: \$697

##### ◆ "Team -- Professional" Training Package

- 3, Half Days of Small Group Training designed for those using Dragon NaturallySpeaking Professional, Legal, or Medical Editions. Comparable to "Gold" One-On-One package above. First 2 half days identical to "Team Preferred" training above. Note: The 3rd session covers Microsoft Word document automation techniques that may also be extremely valuable for users of Dragon Preferred.

Cost Per Person: \$997

Note: A minimum of 5 students is required for Group Training. Ask about Public Courses &/or Private Sessions. Students are encouraged to use their own PCs due to the way Dragon creates a profile. PCs can be supplied.

##### • **Advanced Training**

- "Advanced Scripting"  
Prerequisite: "Gold" Training or equiv. exp. (1 day). \$1495
- "Train the Trainer" Includes "Gold" Training plus Troubleshooting (2 days) \$2295

##### • **Customization / Programming**

- Automating just a few repetitive tasks can save hundreds of hours per year. We can help you  
-- \$165/hr or  
-- \$595 per half day

##### • **Mobile Device Set-Up**

- We'll set up your Recorder show you how it works and guarantee the results! \$497

##### • **Roaming Users Set-Up**

- Set-Up your profile to open on various networked PCs (i.e. exam rooms) or FTP and it stays updated across the network!  
**(Cost Per PC) \$195**

##### • **Annual Support Pkgs.**

- Unlimited Toll-Free Telephone Technical Support (8 am – 6 pm)
- Upgrade Assurance -- When a new edition of the software is released you receive an upgrade at no cost for life of contract. (**Professional Package Only**)
- Hardware Replacement Loaner Program: If your equipment breaks, we deliver a loaner unit (*may not be identical to yours*) while you wait for your warranty replacement (**Professional Package Only**)
- "Preferred Client" 15% Discount for all On-Site Support Calls
