Speech Recognition Services & Support

TRAINING

All products come with a **100% Money Back Guarantee**. For speakers of English as their first language who complete at least 6 hours of our proprietary training program, we guarantee you will achieve 97% Speech Recognition Accuracy or BETTER.

One-On-One, Custom, On-Site Training

A Personal Trainer comes to your location to provide a custom training experience to coach you on your own applications, on your PC.

- ◆ **"Silver" Training Package** (PC or Mac)
 - 2, Half Days of One-On-One, Custom, On-Site Training.
 - 1st Session -- "Creating an Exceptionally Accurate Speech Recognition Profile". Because if it is not accurate, you aren't going to use it.
 - 2nd Session -- "Mastering the Basics of Speech Recognition". Because if you don't know how to use it, you aren't going to use it.Per Person: \$1295
- ◆ **"Gold" Training Package** (PC only)
 - 3, Half Days of One-On-One, Custom, On-Site Training.
 - The first two sessions are the same as above.
 - 3rd Session – "Automating Your Work with the Magic of Macros". Save yourself hours per week, (perhaps an hour each day) using Dragon's Advanced Capabilities.Per Person: \$1895
- ◆ **"Platinum" Training and Customization Package** (PC only)
 - 3, Half Days of One-On-One, Custom, On-Site Training.
 - The training sessions are the same as above.
 - **PLUS** up to 4 hours of Customization / Integration. Up to 25 simple macros can be created to automate your document creation & e-mail preparation processes. Perfect for a Physicians' EMR Integration!
 - Customization / Integration can be exchanged for **Mobile Dictation Device** Installation, Profile Creation, Testing, Troubleshooting, & TrainingPer Person: \$2495

Group Training

Group training provides an affordable alternative to our "One-On-One" training above, and provides a more collaborative learning environment for your team.

- ◆ **"Team -- Premium" Training Package**
 - 2, Half Days of Small Group Training designed for those using Dragon NaturallySpeaking Preferred Edition. Similar to "Silver" package above.Cost Per Person: \$797
- ◆ **"Team -- Professional" Training Package**
 - 3, Half Days of Small Group Training designed for those using Dragon NaturallySpeaking Professional, Legal, or Medical Editions. Comparable to "Gold" One-On-One package above. First 2 half days identical to "Team Preferred" training above. Note: The 3rd session covers Microsoft Word document automation techniques that may also be extremely valuable for users of Dragon Preferred.Cost Per Person: \$1195

Note: A minimum of 5 students is required for Group Training. Ask about Public Courses &/or Private Sessions. Students are encouraged to use their own PCs due to the way Dragon creates a profile. PCs can be supplied.

- **Advanced Training**
 - "Advanced Scripting"
Prerequisite: "Gold" Training or equiv. exp. (1/2 day). \$795
 - "Train the Trainer" Includes "Gold" Training plus Troubleshooting (2 days) \$2495
 - **Customization / Programming**

Automating just a few repetitive tasks can save hundreds of hours per year. We can help you

 - \$185/hr or
 - \$647 per half day
 - **Mobile Device Set-Up**

We'll set up your Recorder show you how it works and guarantee the results!

\$597
 - **Roaming Users Set-Up**

Set-Up your profile to open on various networked PCs (i.e. exam rooms) or FTP and it stays updated across the network!

(Cost Per PC) \$195
 - **"Premium" Annual Support Package \$597**
 - Unlimited Toll-Free Telephone Technical Support (8 am – 6 pm)
 - "Preferred Client" 15% Discount for all On-Site Support Calls
 - FREE Quarterly "Progress Monitoring" On-Site Support Visit
 - FREE Monthly Tips & Tricks e-Newsletter
 - **"Professional/Medical" Annual Support Pkg.\$897**

Includes above, AND...

 - Upgrade Assurance -- When a new edition of the software is released you receive an upgrade at no cost for life of contract.
 - Hardware Replacement Loaner Program: If your equipment breaks, we deliver a loaner unit (*may not be identical to yours*) while you wait for your warranty replacement
- * All training participants receive a Training Workbook, Quick Reference Guide & "Speech Recognition Success Certificate" in addition to any manuals, software, and microphones that may come with their software package.
** A 10% discount is available for "1-on-1" training of 3 or more students from the same organization, and on large volumes (30+ students) of Group Training. Ask for details.
